# THE MEN BEHIND THE TEAM

## John F. Bassett

The success of the Tampa Bay Bandits, both on the field and off the field, should come as no surprise with John Bassett at the helm. The managing general partner of the Bandits, Bassett is in charge of the day-to-day operations of the franchise.

An ebullient, multi-faceted individual, Bassett is also a film producer, real estate developer, and business and sports manager. A native of Toronto, Canada, the 45-year old Bassett played top international tennis and squash as a collegian as well as football and hockey. With sports background as a Davis Cup tennis player, Ontario squash champion and collegiate quarterback, Bassett is totally at home with the Bandits.

A background which includes ownership of the Toronto Argonauts of the Canadian Football League and the Memphis Southmen of the World Football League gave Bassett the experience necessary to chart a path of success for the Bandits.

With real estate interests centered in Sarasota and daughter Carling basing her professional tennis career from the Nick Bollettieri Tennis Academy in Bradenton, it was natural for Bassett to establish a team in Florida.

Bassett has produced a number of films, including "Face-Off," "Paperback Hero," and "Spring Fever," as well as producing the Canadian theatrical version of "Hair." He also financed "The Rowdy Man" and was the creator of many television shows while the Vice President of Baton Broadcasting.

Twenty-five years of journalism, television, motion picture and professional sports involvement at all levels have developed Bassett's philosophies in directing the Bandits organization.

Bassett graduated as Gold Medalist from Huron College, University of Western Ontario in 1961. He is married to the former Susan Carling and they have four children; John, 23; Victoria, 21; Carling, 17; and Heidi, 15.

A supporter of numerous philanthropic organizations in both Florida and Canada, Bassett was named Man of the Year in Toronto in 1973 and Memphis in 1975. He also has received many awards for his work with charitable and club groups.

## Stephen Arky

Steve Arky's interest in professional football stemmed from his initial desire to place a United States Football League franchise in Miami. Instead, he and John Bassett pooled their collective resources. Then, they added Burt Reynolds to the ownership.

Arky is president of the law firm of Arky, Freed, Stearns, Watson and Greer, P.A. with offices in Tampa, Miami and Orlando.

Educated at Washington University in St. Louis, Arky received his bachelor's degree and his juris doctor degree. He has enjoyed a successful career in several different pursuits in addition to the law.

Arky is director of Great American Banks, Inc., a Florida bank holding company; Founders Financial Corporation, an insurance holding company headquartered in Tampa; the Insurance Exchange of the Americas, Inc., and Florida International University.

He and his wife Marlin are the parents of two children, Lisa (15) and Todd (12). Mrs. Arky is the daughter of Ambassador Marvin Warner, owner of the Birmingham Stallions franchise.

## Burt Reynolds

Burt Reynolds love for football preceded his successful career in the movie industry. Long before Reynolds became an American institution for his work in the film business, he played football. He was a running back and defensive back at Florida State University before a 1957 injury curtailed his gridiron days and moved him in the direction of an acting career.

A Florida native, Reynolds now makes his home in Jupiter, Florida where he owns a dinner theater. He is extremely active in fund-raising projects to benefit Florida State and often has assisted the school in scholarship recruiting.

One of his best-known films, "The Longest Yard," had a football theme as Reynolds starred as the quarterback of a prison team that played the penitentiary guards.

He is certainly the original Bandit, having popularized the role in the film "Smokey and the Bandit," in which he co-starred with Sally Field and Jackie Gleason.

# HEAD COACH

## Steve Spurrier

One of the most impressive coaching debuts in professional football history has been carved out by the only coach in Bandits history, Steve Spurrier. In his first head coaching job ever, Spurrier has racked up an impressive 25-11 regular season mark and has guided the Bandits to a spot in the 1984 USFL playoffs.

Spurrier is not content to rest on his laurels of the first two seasons. "We reached one of our goals, last season when we made the playoffs. However we want to bring our fans the USFL championship and that is our main goal this season."

One of the most innovative offensive minds in professional coaching ranks, Spurrier's BanditBall offense was so successful in 1984 that the Bandits became the first pro team ever to have a 4,000 yard passer and two 1,000 yard rushers in the same season.

Spurrier came to the Bandits with five years of experience as a college football coach. He began coaching as an assistant to Doug Dickey at his alma mater, the University of Florida in 1978. The following year, he moved to Georgia Tech, where he was an assistant to Pepper Rodgers. In 1980, he became the offensive coordinator and quarterback coach at Duke University. During Spurrier's tenure at Duke, the Blue Devils were ranked in the NCAA top ten in team offense.

Born April 20, 1945 in Miami Beach, Spurrier attended Science Hill High School in Johnson City, Tennessee, where his family had moved with his father, a minister.

A high school All-American selection, Spurrier attended the University of Florida from 1963 to 1966. He was voted an All-American in 1965 and 1966. His most prestigious honor came in 1966 when the modest QB was awarded the Heisman Trophy.

A first round draft pick of San Francisco in 1967, Spurrier spent 9 years in the 49er organization. In 1976 he became the first quarterback for the NFL expansion Tampa Bay Buccaneers.

Away from coaching, Spurrier enjoys playing golf and jogging. He and his wife Jerri have three children, Lisa (17), Amy (14), and Steve (13).

## John Rauch

Taking over the position of Director of Football Operations is John Rauch. A veteran of almost 35 years of football coaching, Rauch has been an assistant coach and Director of Scouting for the Bandits the past two seasons.

The Philadelphia native had a successful playing career at Georgia and in the professional ranks before getting involved in coaching in 1951 as backfield coach at St. Bonaventure.

After coaching stops at Florida, Tulane, Georgia and Army, Rauch entered the professional coaching ranks in 1963 as an assistant with the Oakland Raiders. He became the Raiders head coach in 1966 and guided them to a 1967 appearance in Super Bowl II.

He stayed with the Raiders through 1968 when he became head coach of the Buffalo Bills for two seasons. In 1973 he began a two-year stint as head coach of the Toronto Argonauts. He has also served as assistant coach with the Atlanta Falcons and the Tampa Bay Bucs.

Rauch and his wife, Jane, have two children, Nancy Lee (36) and John Alan (34).

Dunn spent the next 8 seasons on the Gator coaching staff. He and his wife Eleanor have three children, Melanie (25), Jana (24), and Jimmy Jr. (21).

The 24-year-old North Carolina native, played two seasons for the Bandits. His playing career was cut short by successive knee injuries. A bachelor, Franks played for Spurrier at Duke.

## Pete Kuharchek

Handling the linebackers for the second straight season is Pete Kuharchek. He also has the additional responsibility of strength coach for the Bandits. The Johnstown, Pa. native played at the University of Tampa and began his coaching career at UT in 1969. After a three-year stint at Tampa Catholic High School, Kuharchek returned to the college ranks in 1976 as an assistant at Kentucky. He was defensive coordinator at Wisconsin-Eau Claire in 1977-78. He moved to Holy Cross in 1979 and stayed there until 1981, when he became defensive coordinator at East Tennessee State.

## Charlie Lyle

For the third straight season, the Mulberry, Florida native will direct the Bandits secondary. A 1962 graduate of the University of Tampa, Charlie Lyle began his coaching career at Stark Bradford County High School. He stayed at the high school coaching level until 1970, when he returned to his alma mater as offensive backfield coach. The following year he served as secondary coach at the University of Tampa. He served as defensive line coach at Southern Mississippi in 1973. He then spent three seasons at Tennessee-Martin before joining the staff at Auburn in 1978. He switched SEC schools in 1979 by going to Vanderbilt as defensive coordinator and secondary coach for two seasons. In 1981 he moved to Mississippi as linebacker coach. He left Mississippi in 1983 to join the coaching staff at Duke University until becoming a member of Bandits. McCrone and his wife Mary Sue have three children, Jeff (13), Kelly (9) and Blair (18 months).

## Rich McGeorge

The newest member of the Bandits coaching staff is Rich McGeorge, who will handle the responsibilities of offensive coordinator and offensive line coach. The 36-year old Roanoke, Va., native was a standout tight end at tiny Elon (NC) College. He was the Green Bay Packers number one draft choice in 1970. For nine seasons, he was a solid performer with the Packers. He caught 175 passes during his pro career. He retired in 1978 and became a stock broker. Two years later he was lured back to football as an assistant coach at Duke University. He joined the Birmingham Stallions staff in 1983 to coach the wide receivers and tight ends. McGeorge and his wife, Bonnie, have two sons, Randy (12) and Jason (10).

## Barry Wilson

Back for his third season on the Bandits staff, Barry Wilson assumes the additional responsibility of defensive coordinator along with being the defensive line coach. A native of Savannah, Ga., Wilson was a defensive lineman at the University of Georgia. He began his coaching career at his alma mater in 1965. He served as a defensive coach for eight seasons. In 1974 he moved to the University of Mississippi. He stayed there until 1976 when he joined the staff at Georgia Tech for 6 seasons. Gary Anderson became the first player in USFL history to rush for 100 yards and catch for 100 yards in a single game. The Bandits withstood a late Houston rally, when Mike Butler stopped Jim Kelly short on a 4th and 6 conversion attempt at the Tampa Bay 35-yard line.

An aggressive Bandit pass rush, coupled with two touchdowns by Gary Anderson and the solid kicking of Zenon Andrusyshyn enabled the Bandits to secure their second straight 3-point decision. Defensive end Mike Butler with 2 sacks was the main weapon in the harassment of Wrangler quarterback Greg Landry, who was sacked 5 times. Anderson scored from the 8 and 1, while "Z" nailed 27 and 49-yard field goals.

# MEDIA INFORMATION

All requests for working press, radio, television, photography or scouting credentials should be made to the Tampa Bay Bandits Director of Media and Public Relations at least one week prior to the game.

**Credentials:** Space for working press, radio, television, and scouts is allocated by the Tampa Bay Bandits Public Relations Office. All requests for working credentials should be directed to this office *in writing* at least one week prior to the game. The Bandits will maintain press facilities on all four levels of the stadium press box. Level one is the auxiliary press box with 25 seats available. Level two is maintained for visiting radio and television broadcasters. Level three is the main working press box. Approximately 55 seats are available on this level. Also located on level three is the stat crew, press box P.A. announcer, and both P.R. Directors. Level four houses the Bandits radio network, both team's coaches, the Bandits Spanish radio station, the ABC radio network booth and a photo deck where passes are available on a first come first serve basis. There is elevator service to all four levels. All working press

and scouts should enter the press gate on the west side of the stadium.

**Policies:** Working press will be admitted to the press box, where approximately 80 seats are available. Credentials will be issued by the Bandits according to the following criteria:

(A) Local daily newspapers, wire services, national publications, newspapers from opponents area and major daily newspapers from throughout the Bandits franchise area.

(B) Other daily newspapers with preference to those which regularly cover the Bandits/USFL.

(C) Scouts

(D) Non-daily newspapers with preference to those which regularly cover the Bandits/USFL.

(E) Radio and television personnel not actually broadcasting, put considered reporting.

(F) Monthly publications, magazine and other media.

**Photographers:** Only accredited photographers will be issued credentials. The photo deck of the press box offers an unobstructed view for TV, movie and still cameras. Only freelance photographers on specific assignments will be issued passes. A media room underneath the northwest corner of Tampa Stadium is open for accredited photographers. There will be food, beverages and printed information available.

**Services:** Play-by-play, halftime and complete statistics will be provided. When possible, post-game comments from the coaches and players will be available. Refreshments are available on decks two, three and four.

**Telephones:** There are pay telephones and limited direct dial phones available for visiting press. If you desire a separate phone, please contact the Tampa Bay Bandits Director of Media and Public Relations for a contact and seat assignment.

**Weekly Press Conference:** Every Monday, (or Tuesday if appropriate) the Bandits will have a weekly press conference with Head Coach Steve Spurrier. All media are welcome.

**Conference Calls:** Throughout the season, we will set-up a conference call each week for local Tampa media with the opposing coach and/or player.

## WFLA Airs the Bandits

For the third straight season, WFLA radio (970 AM) will be the flagship station of the Bandits statewide radio network. Last season, WFLA's broadcast of the Bandits was the area's top-rated show according to an Arbitron overnight coincidental check.

Play-by-play responsibilities will once again be handled by 3-time Florida Sportscaster of the Year, Gene Deckerhoff. Former FSU quaterback Vic Prinzi will handle color commentary. On-field and post-game interviews will be handled by WFLA's popular personality Jack Harris. A newcomer to the broadcast crew is WFLA Sports Director Tedd Webb, who will host the Steve Spurrier Pre-Game Show.
